A MESSAGE FROM THE DIRECTOR

Hello!

We made it through our third year! We continued working to maintain our progress and further growing as an organization. With the help of amazing volunteers and clients, we focused more on establishing our foundation and continued to meet client needs through advocacy and the complaint process.

Once again, I'm so excited to share our success with you in this report and look forward to many more successes in the years to come. For 2024, we're looking forward to prioritizing increasing our number of advocates to expand our ability to accept new cases. Thank you for supporting MI AECRES and thank you for letting us serve your communities.

Sincerely,

Jacquelyn Kmetz
Executive Director & Lead Staff Attorney
